

**THE SECRET OF BEAUTIFUL LEGS REVEALED!**

Powerful combination of oligomeric proanthocyanidins (OPCs) of Grape seeds with bioflavonoids of Bilberry, Black currant and Ginkgo Biloba. Combined together, they are aimed for prophylaxis of venous insufficiency and CVI syndrome, increasing blood capillary flow, strengthening and protecting capillary walls and blood vessels, promoting vascular relaxation. Great help for people with impaired veins and edema. All ingredients have been shown great results (75-89%) during clinical trials.

**New! COMPLETE® VenoCorset**

**REISHI - THE "MUSHROOM OF IMMORTALITY"**

At China emperor's court it was called as the "Elixir of Life" or "Mushroom of Immortality", and was available only to the wealthiest and oldest families in China. It is used as a tonic and strengthening medicine for thousands of years. It has some of the most active polysaccharides in the plant kingdom. Reishi mushroom extract possesses strong immune enhancement properties, supported by studies on polysaccharides and terpenes from Reishi.

**New! COMPLETE® Reishi Extract**

**UTI FIGHTER**

Cranberry has been reported to be clinically useful in treating and managing urinary tract infections. It prevents bacteria E. coli from adhering to the cells lining the bladder wall, thus preventing infection. Further research discovered that cranberry was a potent inhibitor of the most virulent strains of E.coli from attaching to the bladder wall.

The anti-adhesive qualities of cranberry may prevent E.coli from colonizing in the gut as well.

**New! COMPLETE® Cranberry Extract**

**MEET THE MOST FREQUENTLY PRESCRIBED HERB IN EUROPE**

There are hundreds of studies reporting positive effects from taking Ginkgo Biloba for both the prevention and treatment of various health complaints. The most important benefits are reported in improving blood circulation in the elderly. This can lead to enhanced memory, possibly delaying the onset of Alzheimer's disease, reducing senile dementia, tinnitus, and vertigo. Ginkgo's memory-enhancing effects are reported in younger populations as well.

**New! COMPLETE® Ginkgo Biloba Extract**

*COMPLETE-PHARMA is FINNISH-THAI factory of food supplements. We are involved in research, development and production of modern nutraceuticals which provide health and medical benefits. We carefully study the latest achievements in related fields and apply up-to-date knowledge to all our formulations.*

*Each and every ingredient we use is clinically approved for its efficacy and safety. Receiving high-quality standardized ingredients from reliable suppliers in US, Germany, India, Malaysia, Thailand, China and other parts of the world, enables us to produce high-potency products with maximum health effect.*

*By combining together knowledge of ancient European, Thai, Chinese and Indian medicines with modern knowledge of nutrients, we position COMPLETE-PHARMA among the most unique producers in the world.*

*Here, in COMPLETE-PHARMA, we believe that word "health" is a part of our life, not just a word of self-promotion. We do our business with honesty and believe in responsibility towards our customers who need our assistance and help. We do not over-state our products and rely on modern scientific approach, remembering the words of Hippocrates "Let your food be your medicine, and your medicine be your food".*
